

nano musik music sounds better Loops

'Trance Opener Vol 2' from Nano Musik Loops features next amazing melodic elements that you'll need to create big Trance anthems. Five MIDI Trance Starter kits and projects for FL Studio with MIDI and WAV files are included. Use the MIDI as a start to your new remix, add your own elements and vocals and go wild. The possibilities are endless.

Using the supplied MIDI files you can assign any of the musical phrases found in this pack to your favourite synth or sampler. MIDI is effectively only instructional data, so you can change the pitch and tempo to any extent you like with no artefacts.

All of the loops in this product are 100% Royalty-Free. Once you have purchased this product, you can use the loops in commercial productions at no extra cost.
