nano musik Loops
music sounds better

'Trance Opener Vol 4' MIDI PACK from Nano Musik Loops features amazing melodic elements to create big Trance anthems. You open your set with these intro templates and fell the crowd It contains five MIDI Trance Starter Kits and projects for FL Studio with only MIDI files included. Use the MIDI as a start to your new remix, add your own elements and vocals and go wild. The possibilities are endless.

Using the supplied MIDI files you can assign any of the musical phrases found in this pack to your favourite synth or sampler. MIDI is effectively only instructional data, so you can change the pitch and tempo to any extent you like with no artefacts.

All of the loops in this product are 100% Royalty-Free. Once you have purchased this product, you can use the loops in commercial productions at no extra cost.
