nano musik Loops

music sounds better

'NanoTrance: Orchester Chords MIDI PACK Vol 1' from Nano Musik Loops features melodic elements and ideas that you'll want to use to create big Trance track. Ten MIDI Trance Starter Kits and FL Studio projects with only MIDI files included. Use the MIDI as a start to your new remix, add your own elements and vocals and enjoy.

Using the supplied MIDI files you can assign any of the musical phrases found in this pack to your favourite synth or sampler. MIDI is effectively only instructional data, so you can change the pitch and tempo to any extent you like with no artefacts. All of the loops in this product are 100% Royalty-Free. Once you have purchased this product, you can use the loops in commercial productions at no extra cost.
