

nano musik music sounds better Loops

'Sunbreeze Vol 4 MIDI PACK' from Nano Musik Loops features another Trance MIDI construction kits & FL Studio Project with a feel good hypnotic sound and club feel for you to get your teeth into. Once again, the label brings you a straight-forward project for FL Studio with two external plugins.

If you enjoyed the first two volumes or if you just want to use this one as a standalone, it's all ready to show you the ropes of the FL Studio music-making process. This pack delivers MIDI files for Trance producers who want to learn more about FL Studio with top-quality content. Use the MIDI and parts as a start to your new remix and add your own elements and vocals.
