

nano musik music sounds better Loops

'NanoTrance: Emotional Chords Vol 7 MIDI PACK' from Nano Musik Loops features more melodic elements and ideas that you'll want to use to create big Trance anthems. Five MIDI Trance Starter Kits and FL Studio projects with MIDI files are included. If you enjoyed the first six volumes, you'll love this.

Use the MIDI as a start to your new remix, add your own elements and vocals and enjoy. MIDI is effectively only instructional data, so you can change the pitch and tempo to any extent you like with no artefacts. All of the loops in this product are 100% Royalty-Free. Once you have purchased this product, you can use the loops in commercial productions at no extra cost.
