

nano musik music sounds better Loops

'Floating Trance Melody Vol 2' by Nano Musik Loops features amazing melodic elements that you'll need to create big epic Trance anthems. Next Ten Trance Starter MIDI Kits and one project for FL Studio with MIDI files are included. Use the MIDI as a start to your new remix, add your own elements and vocals and go wild. The possibilities are endless.

Using the supplied MIDI files you can assign any of the musical phrases found in this pack to your favourite synth or sampler. MIDI is effectively only instructional data, so you can change the pitch and tempo to any extent you like with no artifacts.

All of the loops in this product are 100% Royalty-Free. Once you have purchased this pack, you can use the loops in commercial productions at no extra cost.
